H.E.Dr. Alireza Delkhosh

The Ambassador of Islamic Republic of Iran,  
Colombo.

Your Excellency,

It is with profound sorrow that we learn about the explosions that killed nearly 100 people and wounded many more at a ceremony in the city of Kerman in Iran.

We condemn with contempt the heinous and inhumane crime against the people. Only brutal and vicious criminals could commit such a horrific crime against the people.

The world has experienced such terrorism carried out or supported by imperialism that is on the verge of losing its grip internationally. We do believe the imperialist powers and its protectorates have attacked Iran due to its brave and resilient struggle to safeguard its Sovereignty. Such monstrous crimes could be halted only by defeating imperialism.

We, the JVP Sri Lanka and people of country express our solidarity with the Iranian people at this hour of grief and send to the people in Iran and the families of the deceased our deepest condolences.

Thank you,

On behalf of the Central Committee of JVP Srilanka,

Department of International Relations.

04-01-2024.
