

THE WHITE HOUSE
WASHINGTON

July 9, 2025

His Excellency
Aruna Kumara Dissanayake
President of the Democratic Socialist
Republic of Sri Lanka
Colombo

Dear Mr. President:

It is a Great Honor for me to send you this letter in that it demonstrates the strength and commitment of our Trading Relationship, and the fact that the United States of America has agreed to continue working with Sri Lanka, despite having a significant Trade Deficit with your great Country. Nevertheless, we have decided to move forward with you, but only with more balanced, and fair, TRADE. Therefore, we invite you to participate in the extraordinary Economy of the United States, the Number One Market in the World, by far. We have had years to discuss our Trading Relationship with Sri Lanka, and have concluded that we must move away from these long-term, and very persistent, Trade Deficits engendered by Sri Lanka's Tariff, and Non-Tariff, Policies and Trade Barriers. Our relationship has been, unfortunately, far from Reciprocal. Starting on August 1, 2025, we will charge Sri Lanka a Tariff of only 30% on any and all Sri Lankan products sent into the United States, separate from all Sectoral Tariffs. Goods transshipped to evade a higher Tariff will be subject to that higher Tariff. Please understand that the 30% number is far less than what is needed to eliminate the Trade Deficit disparity we have with your Country. As you are aware, there will be no Tariff if Sri Lanka, or companies within your Country, decide to build or manufacture product within the United States and, in fact, we will do everything possible to get approvals quickly, professionally, and routinely -- In other words, in a matter of weeks.

If for any reason you decide to raise your Tariffs, then, whatever the number you choose to raise them by, will be added onto the 30% that we charge. Please understand that these Tariffs are necessary to correct the many years of Sri Lanka's Tariff, and Non-Tariff, Policies and Trade Barriers, causing these unsustainable Trade Deficits against the United States. This Deficit is a major threat to our Economy and, indeed, our National Security!

We look forward to working with you as your Trading Partner for many years to come. If you wish to open your heretofore closed Trading Markets to the United States, and eliminate your Tariff, and Non-Tariff, Policies and Trade Barriers, we will, perhaps, consider an adjustment to this letter. These Tariffs may be modified, upward or downward, depending on our relationship with your Country. You will never be disappointed with The United States of America.

Thank you for your attention to this matter!

With best wishes, I am,

Sincerely,
